(1)Dark Web Monitoring scans thousands of internet sites where consumers' personal information is suspected of being bought and sold, and is constantly adding new sites to those it searches. However, the internet addresses of these suspected internet trading sites are not published and frequently change, so there is no guarantee that ID Watchdog is able to locate and search every possible internet site where consumers' personal information is at risk of being traded. (2)The monitored network does not cover all businesses or transactions. (3)Monitoring from TransUnion® and Experian® will take several days to begin. (4)Under certain circumstances, access to your Equifax Credit Report may not be available as certain consumer credit files maintained by Equifax contain credit histories, multiple trade accounts, and/or an extraordinary number of inquiries of a nature that prevents or delays the delivery of your Equifax Credit Report. If a remedy for the failure is not available, the product subscription will be cancelled and a full refund will be made. (5)Locking your Equifax or TransUnion credit report will prevent access to it by certain third parties. Locking your Equifax or TransUnion credit report will not prevent access to your credit report at any other credit reporting agency. Entities that may still have access to your Equifax or TransUnion credit report include: companies like ID Watchdog and TransUnion Interactive, Inc. which provide you with access to your credit report or credit score, or monitor your credit report as part of a subscription or similar service; companies that provide you with a copy of your credit report or credit score, upon your request; federal, state, and local government agencies and courts in certain circumstances; companies using the information in connection with the underwriting of insurance, or for employment, tenant or background screening purposes; companies that have a current account or relationship with you, and collection agencies acting on behalf of those whom you owe; companies that authenticate a consumer's identity for purposes other than granting credit, or for investigating or preventing actual or potential fraud; and companies that wish to make pre-approved offers of credit or insurance to you. To opt out of pre-approved offers, visit www.optoutprescreen.com. (6)The Identity Theft Insurance is underwritten and administered by American Bankers Insurance Company of Florida, an Assurant company. Please refer to the actual policies for terms, conditions, and exclusions of coverage. Coverage may not be available in all jurisdictions. Review the Summary of Benefits (www.idwatchdog.com/terms/insurance). (7)The Integrated Fraud Alert feature is made available to consumers by Equifax Information Services LLC and fulfilled on its behalf by Identity Rehab Corporation.
