

2025 TRS-ActiveCare | Preventive Medications List

This list provides examples of commonly prescribed preventive medications. It is not a complete list; but many examples of medications in each category are listed. This list does not indicate coverage. Please check your benefit information materials or call Express Scripts at (844) 367-6108 if you have questions on coverage. Your plan's drug coverage and formulary plan determine your cost share. Your plan may not provide coverage for every strength or dosage form of a listed medication before you meet your deductible.
